Join us for an inspiring evening of spiritual connection with local medium **Elizabeth Robidoux**, who has studied psychic development and mediumship since 2014. This event offers a unique opportunity to experience messages from loved ones who have passed, reminding us that they are never far—just a thought and a smile away. Although not everyone is guaranteed a personal reading, many find that the shared messages resonate deeply. Often, what is meant for one touches the hearts of many. We look forward to welcoming you and helping you reconnect with those who remain close in spirit.

Plastic Bag Drive Update

We're close to our goal - less than 200 lbs away from collecting 1,000 pounds of plastic to earn a new bench for the library! Drop off clean, stretchable plastic in the library's collection bin. Stay up to date on our progress by visiting our website and following the Auburn Community Facebook page. Together, we can make a big difference—one bag at a time!

Visit friendsofgriffinfree.org for news, event info, and event photos, and reach us at secretary@friendsofgriffinfree.org. Our next meeting is at 6:30PM at the library on Monday, Oct. 6th.
