

Friends of the Griffin Library-October

The Friends of the Griffin Free Public Library is a nonprofit organization that raises funds to provide museum passes for library patrons, purchases additional needed library resources for staff and patron use and offers concerts/events for community enjoyment.

AUBURN DAY/AUTUMN BASKET RAFFLE WINNER

We are grateful to everyone who supported us by purchasing Lindt Chocolates, Christmas cards, cookbooks, raffle tickets and ducks in the Pick a Duck event. There were many happy faces when envelopes were opened to reveal the gift cards. Congratulations to Jackie Wood, winner of the Autumn Basket.

YOU ARE CORDIALLY INVITED

Please join us on Monday, October 5, in the library at 6:00 for our annual meeting and Open House. We will be voting for our slate of officers for 2027. Members and anyone interested in learning more about the Friends is welcome to attend. Refreshments will be served. Visit our website at friendsofgriffinfree.org

DINING TO DONATE

Treat your family to dinner while supporting the Friends of Griffin Library by dining out at Shorty's Mexican Restaurant at the Northside Plaza in Manchester on October 8. The event kicks off at 11:30 AM and continues until 9:00 PM. After purchasing your meal, drop the receipt in the bowl near the hostess station and the Friends will receive 15% of the sale.

AN EVENING OF MEDIUMSHIP

Join us on Tuesday, October 13th for an evening of mediumship. Elizabeth Robidoux, who has studied psychic development and mediumship for 12 years, will once again provide us with an opportunity to experience messages from loved one who have passed, reminding us that they are never far. We look forward to welcoming you and helping you reconnect with those who remain close in spirit. Although not everyone is guaranteed a personal reading, many find that shared messages resonate deeply. The event will be held at the Auburn Historical Association, 102 Hooksett Road from 6:30 PM - 8:00 PM. Cost is \$35 per person. Seating is limited and pre-registration is suggested. To register, or for more information, please contact Marie Sullivan at marie.sullivan742@comcast.net.

FEATURED MUSEUM PASS

The McAuliffe-Shepherd Discovery Center in Concord features exhibits focusing on astronomy, aviation, earth and space science. There is also a planetarium and observatory. Reserve a pass now by going to griffinfree.org and clicking on Museum passes .
